## **2018 Business & Organization Membership Campaign Appeal**

The 2018 Membership Campaign objective is to contact businesses and organizations in the area and broaden our membership base by sharing our goals to improve, grow and preserve history for generations to come. We respectfully ask that you consider including the Gardner Historical Museum in your annual budget planning. Your assistance is valuable not only to the Museum, but to the community. And, if you have been a member in the past, we hope you will consider renewing your support.

We've included our Business and Organization Contribution form, with membership option noted at each level. In-kind support will be recognized as a donation of time and/or service, using the same incentive schedule. We are a 501(c)3 non-profit organization, therefore your donation is tax deductible. Please know that both the Gardner Historical Museum and the Bray House are staffed by volunteers and funded solely by memberships, donations and grants.

The generosity of our supporters over the years have enabled us to expand our complex, make improvements, add new members, upgrade our website, conduct special tours and train new volunteers. Because of one special supporter, we were able to pay off the balance of our mortgage on the Museum. Our next goal is to pay off the mortgage on the Bray House, which was purchased in late 2010.

Upon receipt of your donation or the estimated value of your in-kind service, a Museum thank you and acknowledgement for your valuable support will be sent to you. If you are unable to make a monetary donation, we would be happy to discuss other ways you might offer assistance to the Museum.

If you have questions or comments, please leave a message for Nancee at the Museum at 913-856-4447 or by email at [gardnerhistoricalmuseum@juno.com](mailto:gardnerhistoricalmuseum@juno.com).

Sincerely,
