Executive Director,  
Kansas Sampler Foundation

The mission of the foundation is to help  
preserve and sustain rural culture.

In 2002 and 2003 Marci went to every one of the 627 incorporated cities in Kansas to research for "The Kansas Guidebook for Explorers." The observations, conversations, and fact-finding not only resulted in a popular 432-page guidebook but also provided excellent information for the Kansas Explorers Club and We Kan! newsletters that Marci writes.
